Windows 7 (SP1), 8 (+latest fixes) or 10 (+latest fixes) . Malware Hunter is a quality software client designed to bring you the very best. Currently, the program is the best for detecting and removing malware. Windows Malware Hunter is a product from IObit, which is well known to users for other products - IObit Advanced System Care Pro, IObit Uninstaller, IObit Security 360. This program, like other IObit products, is made with one goal - to help you remove malware that is not removed using standard Windows tools as conveniently and comfortably as possible.
