Se aprovechó para, sin ser molesto, sacar a colación la Comisión Interamericana de Derechos Humanos y que les atribuya responsabilidad de las muertes de presos políticos y de prisioneros de conciencia que se hicieron en Venezuela. Fue un acto político de puño y letra. El diario británico The Independent habla de los numerosos movimientos que están en marcha en el Reino Unido para atribuir esta responsabilidad al Gobierno de su país. "La EE.UU. de Bernie Sanders llegó al piso, lamentablemente, en el caso de la Comisión Interamericana de Derechos Humanos, donde expuso el caso de los presos políticos, entre ellos, el propio (de China), Liu Xiaobo y la realización de un golpe de Estado contra el Presidente Maduro", dijo la Cancillería de Venezuela. El Gobierno británico es consciente de las responsabilidades de su país, en el tránsito a la democracia. "Por ello, la reacción de su Cancillería, no ha dudado en afirmar en mayo de 2017 que quienes están detrás de la fiebre del golpe de Estado en Venezuela son los paramilitares chavistas, una afirmación que contradice los hechos de que es un líder opositor el que se dirige a la ciudadanía y que es, una vez más, un ejemplo de la gran fuerza del pueblo venezolano" sostuvo el diario británico.
