Critic Consensus: Day 3 of 24 marks the show's most relentless season so far. Day 2. 95%. Critics' Opinion: The graduation of the second year on the 24th is not so elegant. On Monday, NBC aired the fifth season of 24. The first release of the season was a minor success, but critics were unhappy. Today we see the second episode of the season, and some of the first critics have already spoken about it. The series currently has a 95% rating on Rotten Tomatoes. However, it does not yet boast a high rating on IMDb, where it only has a 5.9. How many days do you think we will see the second course and how much we will see in the future?
